Dear Sir/Madam:

This is a request to revive the above-identified application. Please note that the subject case has improperly gone abandoned because no reply had been deemed received by the PTO in response to the office letter mailed February 2, 2003. (The Notice of Abandonment was mailed on November 7, 2003 to the wrong address.) Enclosed is a Power of Attorney and Statement Under 37 CFR 3.73(B) which had been mailed on March 27, 2003 and received by the Patent Office as demonstrated by the attached stamped postcard receipt on April 2, 2003. Additionally, attached is a copy of the Amendment & Response, Petition for Extension of Time and check for \$55.00 that had been mailed on June 5, 2003 and received by the Patent Office on June 10, 2003 as demonstrated by the attached stamped postcard receipt.

It is respectfully requested that the subject patent application be revived and that the correspondence address be changed. Attached hereto is a Correspondence Address Indication Form which should assist in implementing the proper change of address. (Please note that since the Power of Attorney was executed my address has changed to Lawrence N. Ginsberg, 21 San Antonio, Newport Beach, CA 92660.)

Respectfully submitted,
